HDR10 HYBRID LOG GAMMA

Bringing you more ways to access HDR content, our TVs not only support the standard HDR video format, HDR10, but also Hybrid Log Gamma or “HLG”. This compatibility with HLG future-proofs our models, so that one day you will be able to watch HDR over the air broadcasts.

androidtv

Explore thousands of movies, shows, games and get answers to your questions on the big screen with Android TV and Google Voice Assistant. Plus, with Chromecast built-in, simply cast movie, shows and photos from all your family’s devices.

Ok Google

Use your voice to search for shows, control your TV, plan your day, and more. Just ask Google.

Chromecast built-in

Stream the entertainment you love from your phone, tablet or laptop to your TV.

*** The availability of this feature may vary depending on the production month.
