OLED TV

Taking you deeper into the on-screen action, this OLED HDR Series offers spectacularly bright, colour displays, dynamic on-screen contrasts and unprecedented image detail in even the darkest scenes.

4K ULTRA HD

Live and breathe the on-screen action with a Toshiba 4K UHD TV. Bringing you exhilarating life-like picture clarity, 4K UHD TVs display four times more detail than Full HD models.

WIDE COLOR GAMUT

Experience more power and emotion when you watch TV. With our wide colour gamut models, every scene is displayed with unprecedented, life-like-colour vibrancy. Capable of reflecting up to 1024 shades per colour, they capture hues that are usually merged together and lost on the screen.

SOUND BY ONKYO

Working in collaboration with Onkyo, a global force in audio, Toshiba is bringing TV to life with enhanced sound quality. Tuned by Onkyo engineers, the speakers are designed to ensure life-like, precise sound that can be heard equally well from any seat in the room.

*** The availability of this feature may vary depending on the production month.*
