HDR10 HYBRID LOG GAMMA

Bringing you more ways to access HDR content, our TVs not only support the standard HDR video format, HDR10, but also Hybrid Log Gamma or “HLG”. This compatibility with HLG future-proofs our models, so that one day you will be able to watch HDR over the air broadcasts.

SMART TV

A whole new world of entertainment awaits you on your Toshiba big screen TV and it’s all just one click away. Choose from Toshiba’s huge range of music, video, TV and social media apps. With Netflix®, Prime Video or YouTube™, you will find plenty of content.

alexa built-in

With the embedded microphone system on, your TV becomes an Alexa device itself. You can ask Alexa to change the channel, open apps, search for movies and shows, play music, and more

SECURE SMART TV

Proving how seriously we take your right to privacy, we have become the first TV brand to be certified and approved as secure by the Bavarian State Government.

*** The availability of this feature may vary depending on the production month.
