# TOSHIBA

Awarded the 4K HDR Ultra HD logo, all our 4K HDR TVs have been proven to deliver and faithfully display 4K HDR content in all its glory.

Enhances the contrast of an image by optimising the darker and brighter regions to create a more realistic image.

Predicts the frame in between the frames to create smoother viewing in fast-paced scenes. Perfect for sport and movies.

Automatically up-scales non 4K content so you can experience your favourite movies and TV shows in the highest resolution.

With the embedded microphone system on, your TV becomes an Alexa device itself. You can ask Alexa to change the channel, open apps, search for movies and shows, play music, and more

Discover the Netflix® button on your remote control to jump from one adventure to another.

See what the world is watching -- from the hottest music videos to what's popular in gaming, fitness, movies, shows, news, learning and more.

Indulge your appetite for high-quality home entertainment. Enjoy countless movies and TV shows as well as award-winning Prime Originals.
