Bringing you more ways to access HDR content, our TVs not only support the standard HDR video format, HDR10, but also Hybrid Log Gamma or "HLG". This compatibility with HLG future-proofs our models, so that one day you will be able to watch HDR over the air broadcasts.

 **720p HD READY**

To watch TV in HD picture quality is to see and believe in the on-screen action. Catch additional detail in every scene for a more authentic viewer experience.

 **SMART TV**

A whole new world of entertainment awaits you on your Toshiba big screen TV and it's all just one click away. Choose from Toshiba's huge range of music, video, TV and social media apps. With Netflix®, Prime Video or YouTube™, you will find plenty of content.

 **alexa | built-in**

With the embedded microphone system on, your TV becomes an Alexa device itself. You can ask Alexa to change the channel, open apps, search for movies and shows, play music, and more
