ULTRA HD

Live and breathe the on-screen action with a Toshiba 4K UHD TV. Bringing you exhilarating life-like picture clarity, 4K UHD TVs display four times more detail than Full HD models.

Dolby Vision

Immerse yourself in the on-screen action with one of our Toshiba Dolby Vision compatible TVs. The preferred HDR video format of movie makers around the world, Dolby Vision uses dynamic metadata to read and calculate exactly the right brightness level for every TV frame.

Bringing you more ways to access HDR content, our TVs not only support the standard HDR video format, HDR10, but also Hybrid Log Gamma or "HLG". This compatibility with HLG future-proofs our models, so that one day you will be able to watch HDR over the air broadcasts.

SMART TV

A whole new world of entertainment awaits you on your Toshiba big screen TV and it's all just one click away. Choose from Toshiba's huge range of music, video, TV and social media apps. With Netflix and YouTube, you will find plenty of 4K content. And, with Opera TV, you can discover even more entertainment variety.
