HDR10 HYBRID LOG GAMMA

Bringing you more ways to access HDR content, our TVs not only support the standard HDR video format, HDR10, but also Hybrid Log Gamma or “HLG”. This compatibility with HLG future-proofs our models, so that one day you will be able to watch HDR over the air broadcasts.

alexa built-in

With the embedded microphone system on, your TV becomes an Alexa device itself. You can ask Alexa to change the channel, open apps, search for movies and shows, play music, and more

SECURE SMART TV

Proving how seriously we take your right to privacy, we have become the first TV brand to be certified and approved as secure by the Bavarian State Government.
