OLED TV

Taking you deeper into the on-screen action, this OLED HDR Series offers spectacularly bright, colour displays, dynamic on-screen contrasts and unprecedented image detail in even the darkest scenes.

ULTRA HD

Live and breathe the on-screen action with a Toshiba 4K UHD TV. Bringing you exhilarating life-like picture clarity, 4K UHD TVs display four times more detail than Full HD models.

Dolby Vision

Immerse yourself in the on-screen action with one of our Toshiba Dolby Vision compatible TVs. The preferred HDR video format of movie makers around the world, Dolby Vision uses dynamic metadata to read and calculate exactly the right brightness level for every TV frame.

WIDE COLOR
G A M U T

Experience more power and emotion when you watch TV. With our wide colour gamut models, every scene is displayed with unprecedented, life-like colour vibrancy. Capable of reflecting up to 1024 shades per colour, they capture hues that are usually merged together and lost on the screen.
